Area/Allstars & Select Teams Reg. Com 20 Min.

- Dates for All stars selection and coach selection- Natalie sat in on meeting and said we were sending 1 full team per division? Along with 1 team for area? Is this correct?
- So for area should we take team # 1 and than have winning coach pick 1 player per other team to go to area to make a full team or what should the criteria be? We need to send a full team, but combining 2 teams would be too many players. When do we notify about ref standings and who is going as area is the following weekend?
- Any other info for Area and all stars!
- What is criteria and steps for putting together select teams?
