

Coaches of U10, U12, U14 & U19 --

If you need to reschedule a game please send me an e-mail just letting me know what game is being rescheduled -- I will than be able to cancel the game in refscheduler so the refs signed up for that game can be notified and not show up for a game that is not happening.

I will NOT be rescheduling your game into refscheduler-- You will be responsible for providing all of your refs for that rescheduled game.

Also Coaches if you have not let me know who your refs are for your team you may not be getting your appropriate credit. Please let me know who your refs are.

Thank you so very much
